

## How to make the Security of Payments work for you

**SECURITY OF PAYMENTS – IT'S A POWERFUL TOOL TO HAVE**, but like all things in your toolkit – you need to understand how it operates to make sure it works for you. This session is valuable for all levels and all staff in your contracting operation, from the admin person to the tradesperson. **Your Industry, Your Association, Your Security of Payment webinar.**

This online forum is designed to assist AWCINSW members navigate through the necessary steps you need to take to ensure the Security of Payment Act works in your favour. The forum will be packed with industry insight and contractor experience from the coal face!

This forum builds on our successful business management series, delivered by wall and ceiling liners – so they are talking your talk!

**This forum is free to our AWCINSW members  
Non Members \$50.00**

**Tuesday 28th February 2023 | 10:00 AM AEDT**
