**The Best Kept Secret Video
All you need to know.**

Did you know that the wall and ceiling industry is worth hundreds of millions of dollars annually and that employers are unable to fill positions needed to finish their work? Apprenticeship numbers are down, so jobs will always be in demand.

With a Wall and Ceiling apprenticeship, you don't just get a job, you build yourself a high paying career all without having to go to University. Skills learnt in an apprenticeship are well sought after.

The Wall and Ceiling Industry need people like you to become apprentices today, so get in contact with the AWCI today and **CHOOSE THE WALL AND CEILING INDUSTRY**

AWCIWA - YOUR INDUSTRY, YOUR ASSOCIATION

Learning so many skills keeps it interesting and gives you more employment opportunities.

Get Hands On

Some things you will learn in a Wall and Ceiling Apprenticeship, spanning both in the residential and commercial markets:

- Measure room walls, work out sheet layout and install insulation
- Measure and mark cutting lines on sheet
- Cut plasterboard, lift and position plasterboard and screw/glue them to walls, ceilings or battens
- Prepare cornice, ceiling centres and other plaster fittings
- Cover joints and nail holes with wet plaster or compounds then finish the surface
- Fix precast cornices, ceiling centres and other plaster fittings
- Apply finishing coats of plaster to give a smooth finish
- Install fire-rated wall and ceiling systems
- Make fibrous plaster moulds
- Install acoustic walls
- Install facades
- Install suspended ceilings
- Install stud and track systems

The Perks

- Make good money
- It's a qualification you can take anywhere in Australia or the world
- Comfortably work indoors and never miss out on pay due to rain
- TAFE allows you to meet new industry people
- Once you finish your apprenticeship you can start your own business as a self employed tradesperson
- Variety in work makes your job interesting and creative

WHERE IT CAN TAKE YOU

Build a career that promises good money, interesting work and endless opportunities. Give yourself more options and join the wall and ceiling industry....
