CERTIFICATE III IN WALL AND CEILING LINING (CPC31211)

Training and assessment delivered by AWCI Victoria on behalf of AWCI ANZ RTO number 70212

About Us

AWCI VIC delivers courses on behalf of AWCI ANZ RTO Number 70212 which are specifically designed to meet the needs of our members and the broader industry.

Course Duration

Apprenticeship duration is 36 months

Delivery Method

All delivery options include workplace flexible delivery specific to the needs of the employer and apprentice.

Offsite delivery at our training centre when no workplace is available to complete specific tasks, a simulated workplace has been created to meet these requirements.

Assessment Method

Assessment method will include a mix of theory and practical components in the workplace or simulated work environment.

Students will also have time to have independent study to complete and do research on parts of their assessment projects.

What Does the Course Involve

This qualification has core units of competency requirements that cover common skills for the construction industry as well as two specialist fields at work

The construction industry strongly affirms that training and assessment leading to recognition of

skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Completion of unit CPCCOHS1001A of the general induction training program specified by the National Code of Practice for Induction Training for Construction Work (ASCC 2007) is required before entering a construction work site.

Recognition of Prior Learning

Students are able to apply for recognition of prior learning for individual unit/s of competency or a credit transfer may apply for unit/s of competency

Eligibility

The Certificate III in Wall and Ceiling Lining (CPC31211) is offered as a VTG (Victorian Government) funded qualification for eligible students (offered by AWCI ANZ through Apprenticeship arrangements). It is also available for a very reasonable fee for workers who do not meet the VTG funding eligibility building

Course Outcome

Upon successful completion of apprenticeship, students will receive a Qualification in CPC31211 - Certificate III in Wall and Ceiling Lining
If the qualification is not completed, a Statement of Attainment will be issued for the units(s) of competency successfully completed.
